Exercise 2 – Reading

Read the text aloud with your tutor.

Right on Time

Bob **stayed up** all night working on his presentation and on the paper that he needed to **hand in** the following day. However, pulling an all-nighter made him **doze off** on the bus the next morning when he was on his way to the conference room. When he opened his eyes, he realized that was his stop; he almost missed it! He rushed out of the bus and **stopped by** on his way to get some coffee. Luckily, he managed to get there on time to **set up** the projector for his presentation and to get himself ready.
