Ready for Dinner

Tina wanted to have a meal with her boyfriend Josh, so she made plans for them to **eat out**. Josh told her that he might come home late because he had a lot of work to do, but Tina **went ahead** with her plan and made a reservation for 8 pm. At 7 pm Tina was ready, she **washed up**, got dressed, and put on make-up, so she was just **hanging around** the house, waiting for Josh to **turn up**. Half an hour passed when Josh finally arrived. "Ready, honey?", he asked as he walked through the door. There was no reply, so he entered the living room only to see that Tina was all dressed up, but deeply asleep.
