Exercise 2 – Reading

Read the text aloud with your tutor.

A Hot Summer Day

My air conditioner was **falling apart** and it stopped working at the worst time of the year. It was so scorching hot both outside and inside, that I **came down with** a terrible headache. So, I went to the store to **look for** a new air conditioner. My head was aching so badly that I couldn't concentrate at all; I barely managed to **fill out** the purchase form at the store. The guy at the store told me that they would **drop off** the new air conditioner at my apartment the following morning. After that, I went to the pharmacy to buy some medication for my headache, but it was closed; they had closed just 5 minutes before I arrived!
